

Looking to start your career in one of the world's leading industry?

Set Sail Towards Your Career with a Maritime Scholarship.

Date Published: 02nd September 2024

The Government of Anguilla is inviting suitably qualified Anguillians to apply for two (2) scholarships to pursue a degree in **BSc /BEng Naval Architecture**.

Eligibility

- Applicants must be an Anguillian.
- Applicants, preferably, should already have gained acceptance at an accredited institution in the Caribbean, United Kingdom, United States or Canada.
- However, applicants without acceptance at an accredited institution or accepted on or in the process of obtaining a FdSci Degree programme would be considered.
- The successful applicants will be required to work within the Anguilla Maritime Administration and Shipping Registry (AMASR) of the Ministry of Communication, Utilities, Housing and Tourism upon completion of their studies.

How to apply?

- Applicants must obtain the scholarship application form from Public Administration. The scholarship application form has further details.
- All applications should be sent to:
**The Secretary
Public Service Commission
Former NBA Building
St. Mary's Street, The Valley
Anguilla**
- Shortlisted candidates will be subjected to an interview by the MICUH&T.

Scholarship Application Deadline: 20th September, 2024
