

Procurement Notice

AREP Grid Studies Consultant

On 22 February 2023, the Government of Anguilla launched its RESEMBID (Resilience, Sustainable Energy, and Marine Biodiversity Programme for Caribbean Overseas Countries and Territories) project titled "Streamlining Anguilla's Energy Sector towards a More Sustainable Future". The RESEMBID programme is funded by the European Union and implemented by Expertise France in collaboration with the Global Facility for Disaster Reduction and Recovery (GFDRR).

The Ministry of Infrastructure Communications, Utilities and Housing in Anguilla invites bids from eligible bidders for a **AREP Consultant - Grid Studies for PV Solar and Battery Energy Storage Interconnection**, as defined within the bidding documents. Bidding will be conducted through a Competitive Bid procedure in keeping with the Grant Contract guidelines and procedures.

Interested bidders may obtain further information from:

Ms. Melissa Harrigan
AREP Project Administrator
melissa.harrigan@gov.ai
Ministry of Infrastructure Communications, Utilities, Housing & Tourism
Government of Anguilla
The Valley
Anguilla

Bids should be received no later than **Friday, 30 June 2023 at 5:00pm**. Late bids will be rejected. The Government of Anguilla ("GoA") is not bound to accept the lowest of any bids. This bid process may be cancelled or rejected without any liability to GoA.

Proposals are to be submitted electronically to the following and shall include the subject line "Grid Studies for PV Solar and Battery Energy Storage Interconnection":
