EX MIN 12/641  EX MEM 12/308 MS YOLANDE DASH

Hon Minister of Infrastructure

“I want my concerns recorded in the minute as it regards to Miss Yolandé Dash. I have serious concerns of any Government worker working two jobs at the same time. I cannot see the services rendered for the time and money being paid from government funds. I support the reappointment but not the position of Miss Dash doing two jobs. No one can do justice in that manner; there will be short comings somewhere along the lines. I don’t want to sound as if I am on one person in particular but Miss Dash is who we are dealing with at present.”
Council approved the extension by twelve (12) months of the contract for Ms Yolande Dash consultancy services to the Attorney General’s Chambers.

Council agreed that efforts should be made for other persons to be trained in this area.
