**EX MEM 18/218 TOBACCO CONTROL BILL**

The following persons joined:

Dr Aisha Andrewin, Chief Medical Officer
Mrs Twyla Bradshaw-Richardson, Director, Chronic Diseases Unit

Further to EX MIN 18/325 of 28 June, Council:
thanked the health professionals for their presentation;

endorsed the structure of the proposed legislation which would seek to:

(a) establish all indoor workplaces and outdoor indoor public places to be 100% smoke-free;

(b) implement large, visible, and regularly changing health warnings and messages on tobacco product packages coming to port;

(c) enforce a comprehensive ban on advertising, promotion and sponsorship to protect all ages from being targeted by the tobacco industry;

(d) prohibit the sales of tobacco products to persons under the age set by domestic law; and

(e) use education and communication approaches to increase public awareness and support for approval and enforcement of effective tobacco control policies.

requested the Ministry of Social Development to engage with the Attorney General’s Chambers to commence drafting on the Tobacco Control Bill; and

agreed that consultation and sensitizing the public should begin.

In a separate discussion, Council raised concerns about the continued international health advisory which has Anguilla included in the high risk category for the Zika virus. The Chief Medical Officer noted that she, along with Public Health England was working hard to have this position revised as an urgent matter. She further noted that Anguilla was seeking to become one of the operational research centres in the region, and that the ministry had been in contact with PAHO and UK counterparts in making every effort for Anguilla to become an operational research centre. She added that the support of the Executive Council would be solicited in this undertaking.

Action: PS, HLPP; DIR, CDU; CMO; HON AG (acting); HON MIN, HSD

Council endorsed the recommendations that:-

(i) the available funding at a total of EC$220,000.00 is transferred to BSc. General Nursing to support the other four students pursuing general nursing degrees; and

(ii) the recipients of the funding are bonded to the Government of Anguilla as per bonding protocol.
