Control and management

1. Government petroleum warehouses shall be under the control and management of the Comptroller of Inland Revenue.

(Act 6/2010, s. 41)

Storage of petroleum

2. All petroleum shall be stored under the supervision and in accordance with the instructions of the Comptroller of Inland Revenue. Volatile petroleum shall be stored separately from petroleum which is not volatile.

(Act 6/2010, s. 41)

Leaking containers

3. No leaking containers shall be stored in a Government warehouse. If any containers in a Government warehouse are found to be leaking, the owner thereof shall at once be notified and he shall be required to deal immediately with such containers in accordance with the instructions of the Comptroller of Inland Revenue and if the owner fails to comply with such instructions he is guilty of an offence.

Deliveries

4. All deliveries from a Government warehouse shall be made under the supervision of the Comptroller of Inland Revenue.

(Act 6/2010, s. 41)

Notice and barriers

5. (1) The Comptroller of Inland Revenue may, by appropriate notice erected on or near a Government warehouse, prohibit any person not having *bona fide* business at the warehouse from approaching it within the limits set out in such notice. Any person not having *bona fide* business at a Government warehouse and approaching within a limit so prohibited is guilty of an offence.

(Act 6/2010, s. 41)

(2) The Comptroller of Inland Revenue may erect such barrier or barriers near thereto or around a Government warehouse as he shall think fit.

(Act 6/2010, s. 41)

Precautions against fire

6. (1) No person shall smoke or have any naked flame in or within a distance of 50 feet of any Government warehouse.

(2) No person in a Government warehouse shall have on or about his person any matches or implements for producing flame or fire or any materials for smoking.

(3) No person shall bring into or use in any Government warehouse any artificial light of any description except a light incapable of igniting any inflammable vapour outside of the lamp itself.

(4) Any person contravening subsection (1), (2) or (3) is guilty of an offence.

Provision of sand or extinguisher

7. The Comptroller of Inland Revenue shall maintain in every Government warehouse an adequate quantity of sand in suitable receptacles to be used in case of fire or some efficient type of foam extinguisher.

(Act 6/2010, s. 41)

Charges

8. Warehouse rent for any petroleum stored in a Government warehouse for every 8 imperial gallons of petroleum for each week or part thereof, shall be the sum of 2¢, and so on in proportion for any greater or lesser quantity, but no rent shall be charged for the first 48 hours.

Copy of regulations to be displayed

9. A copy of these Regulations shall be displayed in a conspicuous place in every Government petroleum warehouse, at the place or places where petroleum is usually landed, and in the Inland Revenue Department.

(Act 6/2010, s. 41)

Penalty

10. Any person guilty of an offence against these Regulations is liable on summary conviction to a fine of $5,000 or to a term of imprisonment of 6 months or to both.
