OBJECTS AND REASONS*(The objects and reasons do not form part of the Bill)*

The objects and reasons of this Act is to begin the process of implementing the reinstatement of Public Service Salaries to pre-June 2009 levels. The salaries of Public Servants were reduced in effect from June 2009 and took place over a period of two years in two rounds. The first cuts were staggered by type of office holder, by up to 15% in the first round and up to 7.5% in the second round of cuts. These cuts were validated by the Public Service Salaries (Temporary) Reduction Act, 2013 (Act No. 2/2013). The amendment to this Act seeks to reverse the salary cuts in a staggered approach and as such Clause 2 seeks to reverse the cuts made in the second round. This reversal is effective from 1 January, 2023.
