(3) Where any entry made under paragraph (1)(c) is incorrect, the person who made it shall, within 12 hours of the making of it or such longer period as the Comptroller may in any case permit, be allowed to amend it, and provided that the Comptroller is satisfied that the error was not made knowingly or recklessly, then, notwithstanding any other customs enactment, that person is not guilty of an offence and any goods that were the subject of the error are not liable to forfeiture.

(5) If any vessel or aircraft, having left Anguilla for a destination outside Anguilla fails to reach that or any other destination outside of Anguilla, and returns to Anguilla, and in the opinion of the proper officer the deficiency in the stores of that vessel or aircraft is in excess of the quantity that might reasonably have been consumed having regard to the period between the departure and the discovery of the deficiency, the master or commander—

(Act 15/2010, s. 11)

Definition of coasting trade

42. (1) Subject to the provisions of this Part, the carriage of goods by sea or air from one part of Anguilla to another is coasting trade, and any vessel or aircraft whilst so employed is a coasting vessel or coasting aircraft.

(2) The Governor in Council may by order deem the carriage of any goods or any class or description of goods from any specified place in Anguilla to another specified place not to be coasting trade.

Power to make regulations as to coasting trade

43. (1) The Governor in Council may make regulations—

- (a) regulating the loading, unloading or making waterborne for loading of goods carried or to be carried by way of coasting trade;
- (b) prescribing the procedure to be followed by—
 - (i) coasting vessels on their arrival at or departure from any port, and
 - (ii) coasting aircraft on their arrival at or departure from any airport; and
- (c) permitting the Comptroller to give directions;

and different regulations may be made in respect of coasting vessels and coasting aircraft.

(2) Without prejudice to the generality of subsection (1), regulations made under that subsection may provide for the imposition of a fine of \$10,000 for any contravention of or failure to comply with any such regulation or any direction given under any such regulation, and for the forfeiture of any goods involved in any such offence.

Limits on coasting trade

44. (1) Subject to subsection (2), no goods not yet entered on importation and no goods for exportation shall be carried by way of coasting trade in any vessel or aircraft used for that purpose.

(2) The Comptroller may permit, subject to such conditions and restrictions as he may see fit to impose—

- (a) any vessel or aircraft to carry goods by way of coasting trade notwithstanding that that vessel or aircraft is carrying goods brought therein from a place outside of Anguilla and not yet entered on their importation, if a vessel or aircraft so permitted to carry such unentered goods by way of coasting trade is not for the purposes of this Part a coasting vessel or a coasting aircraft;
- (b) goods brought by another vessel or aircraft to a place in Anguilla from a place outside Anguilla that are consigned to and intended to be delivered to another place in Anguilla to be transshipped before due entry of the goods has been made to a coasting vessel or a coasting aircraft for carriage by way of coasting trade to that other place; and
- (c) any vessel or aircraft that has begun to load goods for exportation or for use as stores on a voyage to a destination outside Anguilla to carry goods by way of coasting trade until that loading has been completed.

- (a) the account is produced in the form of an electronic document and Customs has not responded at the expiry of one hour from the time the account was produced; or
- (b) in any other case, where no officer is stationed at the place where the account is required to be produced;

the vessel or aircraft may depart from that place and, upon departure, shall proceed directly to an approved wharf or customs airport and the account be produced to the proper officer.

(Act 15/2010, s. 13(b))

(3) On the application of the master of any coasting vessel or the commander of any coasting aircraft, the Comptroller may grant, subject to such conditions and restrictions as he may see fit to impose, a general clearance for that vessel or aircraft, and any goods, class or description of goods to be carried in it.

(4) Any general clearance granted under subsection (3) may be revoked at any time by the Comptroller by notice in writing delivered to the master or owner of the vessel or the commander or owner of the aircraft or to any member of the crew on board that vessel or aircraft.

(5) Except as provided by this section, if any coasting vessel or coasting aircraft carrying goods departs from any place in Anguilla without clearance, whether obtained before or after that departure, or in contravention of any condition or restriction imposed by the Comptroller upon a general clearance of that vessel or aircraft under subsection (3), the master of that vessel or the commander of that aircraft is guilty of an offence and is liable to a fine of \$10,000, or 3 times the value of the goods, whichever is the greater, and any goods in respect of which the offence was committed are liable to forfeiture.

then those goods are liable to forfeiture if they are still on board and the master or commander is guilty of an offence and is liable to a fine of \$10,000 or 3 times the value of the goods, whichever is the greater.

(6) If, after the date of cessation or such later date as the Comptroller may in any case permit, uncleared goods remain in a place no longer approved under subsection (1), they may be taken by an officer to a customs warehouse and, without prejudice to any other power of earlier sale provided by this Act, if they are not cleared within 1 month, may be sold.

- (a) be further entered by their proprietor for home use, if so eligible, for exportation or for use as stores, and shall then be dealt with as if they had been so entered from warehouse; or
- (b) be removed for transport to another warehouse approved for the warehousing of such goods, and shall then be dealt with as if they had been duly warehoused.

(2) Where goods are held in containers, no part of those goods shall be further entered or removed under subsection (1) unless that part consists of one or more complete containers.

Operations on warehoused goods

57. (1) Without prejudice to any other provision of this or any other Act by or under which an operation on warehoused goods is or may be permitted, the Comptroller may, in the case of such goods and, subject to such conditions and restrictions as he may from time to time think fit, permit the sorting, separating, packing or repacking of goods in warehouse and the carrying out on warehoused goods of such other operations necessary for the preservation, sale, shipment or disposal of the goods as he sees fit, and may give directions as to the warehouse or the part of any warehouse in which any such operation on goods may be carried out.

(2) Any person who on or before 1st November 2001 was permitted to carry out an operation on goods of any class or description in warehouse, not being such an operation as is or may be permitted by or under any such other provision as aforesaid, shall be deemed to have been granted similar permission by the Comptroller under the foregoing subsection.

(3) The Comptroller may at any time revoke or vary any permission granted or deemed to have been granted under this section.

(4) If any person carries out any operation on goods in warehouse otherwise than in accordance with permission granted or deemed to have been granted under this section, or otherwise than as permitted by or under such other provision as aforesaid, he is guilty of an offence and is liable to a fine of \$10,000 and the goods are liable to forfeiture.

Deficiency in warehoused goods

58. (1) If, at any time after goods have been warehoused and before they have been lawfully removed, all or part of those goods are found to be missing then, without prejudice to any other fine or liability to forfeiture incurred by or under this Act, the occupier of the warehouse—

(a) shall pay to the Comptroller—

(i) the duty that such goods would have borne if they had been entered for home use on the date of the discovery of the deficiency, or

(ii) in the case of goods not eligible for home use, an amount that in the opinion of the proper officer was the value of the goods at the date of the deficiency; and

(b) is guilty of an offence and is liable to a fine of \$10,000 or 3 times the value of the goods, whichever is the greater.

(2) Where any goods have, without payment of duty, been lawfully removed from a warehouse for transport to some other warehouse or to some other place, and all or part of those goods fail to reach that other warehouse or place then, without prejudice to any other fine or liability to forfeiture incurred by or under this Act, the proprietor of the goods—

(a) shall pay to the Comptroller—

(i) the duty that such goods would have borne if they had been entered for home use on the date of the discovery of the deficiency, or

(ii) in the case of goods not eligible for home use, an amount which in the opinion of the proper officer was the value of the goods at the date of the discovery of the deficiency; and

(b) is guilty of an offence and is liable to a fine of \$10,000 or 3 times the value of the goods, whichever is the greater.

(3) Subject to subsection (4), no compensation shall be payable by, and no action shall lie against, the Comptroller for any loss or damage caused to any goods while in a warehouse or for any unlawful removal of goods from a warehouse.

(4) Where warehoused goods are damaged, destroyed or unlawfully removed by or with the assistance or connivance of an officer, and that officer is convicted of an offence in relation to that damage, destruction or removal then, except where the occupier of the warehouse or the proprietor of the goods was a party to the offence, the Comptroller shall pay compensation for any loss caused by such damage, destruction or removal and, notwithstanding any other customs enactment, no duty shall be payable on the goods by the occupier or the proprietor and any sum paid by way of duty by him before the conviction shall be repaid.

Removal of goods from warehouse

59. (1) Before any goods are removed from warehouse the proprietor of the goods shall deliver to Customs an entry thereof in such form and manner and containing such particulars as the Comptroller may direct.

(Act 15/2010, s. 15)

(2) Subject to any provision of this or any other Act, or of any regulation made thereunder as to the purposes for which any goods may be warehoused, goods may be entered under this section for any of the following purposes—

60. (1) Save as permitted under this Act—

- (a) duty on warehoused goods shall be chargeable at the time of the removal of those goods from the warehouse; and
- (b) no goods shall be removed from warehouse until all duty due on them has been paid.

(Act 15/2010, s. 16)

(2) The amount payable in respect of any duty is based on the value of the goods at the time of removal from the warehouse.

(3) Save as otherwise provided under this Act, the duties and rates chargeable on warehoused goods are those in force with respect to the goods of that class or description at the time of delivery of the entry to remove the goods from the warehouse.

(Act 15/2010, s. 16)

(4) The rate of duties of customs on goods that have been lawfully removed from warehouse without payment of duty with the intention that they shall be re-warehoused, but that are entered for home use before being re-warehoused, is that in force with respect to goods of that class or description—

- (a) where removal for home use is allowed under section 65 on the giving of security for the duty chargeable thereon, at the date of the giving of the security; or
- (b) in any other case, at the date of payment.

(5) Subject to subsection (7), where under or by virtue of any enactment the amount payable in respect of any duty is based on the quantity of the goods, the quantity shall be taken as at the time of entry into a warehouse.

(6) Where the quantity of goods is ascertained by taking an account thereof, it shall be ascertained by reference to weight or measure, as the case may be.

(7) Where warehoused goods have deteriorated or have been damaged to such a degree that the Comptroller is satisfied that they have become unsaleable, he shall allow such abatement of the duty chargeable on them as he sees fit.

(8) Where any sum has been paid in respect of duty before the appropriate date under this Act, the difference, if any, between the sum so paid and the amount properly payable shall be paid or repaid as the case may be.

Removal of goods from warehouse without payment of duty

61. Without prejudice to any other provision of this Act authorising the removal of goods from warehouse without payment of duty, the Comptroller may permit warehoused goods entered for removal for any purpose, other than home use, to be removed for that purpose, subject to such conditions and restrictions as he may see fit to impose, without payment of duty, but where any condition or restriction imposed under this section is contravened or not complied with, the goods are liable to forfeiture.

Provisions as to goods to be deposited in a customs warehouse

62. (1) The following provisions of this section shall have effect in relation to any goods which are deposited in a customs warehouse under or by virtue of this Act.

(2) The Comptroller may appoint any place for the deposit of goods, for the security of those goods and of any duty chargeable on them and any place so appointed shall be referred to in this Act as a customs warehouse.

(3) Where, in respect of any goods that may or are required to be warehoused, the Comptroller is of the opinion that it would be undesirable or inconvenient to deposit such goods in a customs warehouse, he may deem those goods to be deposited in a customs warehouse, and this section shall then apply to those goods as if they were deposited in such a warehouse.

(4) Such rent shall be payable in respect of any goods deposited in a customs warehouse as the Governor in Council may by regulation prescribe.

(5) The Comptroller may, in respect of any goods deposited in a customs warehouse, do all such acts as appear to him necessary for the custody and preservation of such goods, and the expenses of so doing shall be payable in addition to any other charges payable in respect of those goods, by the importer or owner of the goods.

(6) If any goods deposited in a customs warehouse are in the opinion of the Comptroller of such a character as to require special care or treatment, then—

- (b) the Comptroller shall not be liable to make good any damage that the goods may sustain.

- (a) in respect of the removal of the goods to the customs warehouse; and
- (b) arising by virtue of subsections (4), (5) and (6);

have been paid and in the case of goods requiring entry and not yet entered, until entry of those goods has been made.

(8) If any goods deposited in a customs warehouse by the proper officer under this Act are not cleared within 10 weeks after they have been so deposited, or such longer time as the Comptroller may in any case allow, the Comptroller may, 7 days after giving notice of sale in the *Gazette*, or in the case of goods that are in the opinion of the Comptroller of a perishable nature forthwith, sell them at auction.

(9) All money arising from the sale of any goods at auction shall be used to pay—

- (a) firstly, any duty chargeable on those goods;

- (b) secondly, the expenses of sale;
- (c) thirdly, sums due to the Comptroller in respect of the carriage, warehousing and other services performed and facilities provided in respect of the goods; and
- (d) fourthly, freight and rent due and payable and any other claims due and payable of which notice has been given to the Comptroller;

and the balance, if any, shall be paid to the owner of such goods on his application for the balance, if such application be made within 6 months of the time of the sale of such goods, but otherwise shall be paid into the Consolidated Fund.

(10) When any goods are authorised to be sold under or by virtue of this Act, but cannot be sold or are in the opinion of the Comptroller of a perishable or hazardous nature, he may destroy them.

(11) Any officer having custody of goods in a customs warehouse may refuse to permit the goods to be removed until it is shown to his satisfaction that all freight charges due on those goods have been paid.

Offences in relation to warehouses and warehoused goods

63. (1) Any person who, except with the authority of the proper officer or for just and sufficient cause, opens any door or lock of a warehouse or a customs warehouse or makes or obtains access to any such warehouse or to any goods in such a warehouse, he is guilty of an offence and is liable to a fine of \$20,000 or to imprisonment for a term of 2 years or to both and may be arrested.

(2) Where—

- (a) any goods that have been entered for warehousing are taken into a warehouse without the authority of, or otherwise than in accordance with any direction given by, the proper officer;
- (b) save as permitted by or under this Act, any goods that have been entered for warehousing are removed without being duly warehoused or are otherwise not duly warehoused;
- (c) any goods that have been deposited in a warehouse or a customs warehouse are unlawfully removed or are unlawfully loaded into any vessel, aircraft or vehicle for removal or for exportation or for use as stores;
- (d) any goods entered for warehousing are concealed, either before or after they have been warehoused; or
- (e) any goods that have been lawfully permitted to be removed from a warehouse or a customs warehouse without payment of duty for any purpose are not duly delivered at the destination to which they should have been taken in accordance with that permission;

such goods are liable to forfeiture.

(3) Where any person is in any way concerned with the taking, removal, loading, concealing or non-delivery of goods, as described in subsection (2), he is guilty of an offence and is liable to a fine of \$10,000.

(4) Where any person is in any way concerned with the taking, removal, loading, concealing or non-delivery of goods as described in subsection (2), with intent to defraud the Government of Anguilla of any duty chargeable on those goods or to evade any prohibition or restriction for the time being in force with respect to those goods under or by virtue of any enactment, he is guilty of an offence and, subject to subsection (5), is liable to a fine of \$20,000 or to 3 times the value of the goods, whichever is the greater, or to imprisonment for a term of 2 years or to both and may be arrested.

(Act 15/2010, s. 17)

Delivery of imported goods on giving of security

65. (1) Where it is impracticable immediately to ascertain whether any or what duty is payable in respect of any imported goods that are entered for home use, whether on importation or from a warehouse, the Comptroller may, if he thinks fit and notwithstanding any other provision of this Act, allow those goods to be delivered upon the importer giving security, by deposit of money or otherwise to the satisfaction of the Comptroller, for payment of any amount unpaid that may be payable by way of duty.

(2) Where goods are allowed to be delivered under this section, the Comptroller shall, when he has determined the amount of duty that in his opinion is payable, give to the importer a notice specifying that amount.

(3) On the giving of a notice under subsection (2), the amount specified in the notice or, where any amount has been deposited under subsection (1), any difference between those amounts shall forthwith be paid or repaid, as the case may require.

Goods to be warehoused without payment of duty

66. Any goods that are on their importation permitted to be entered for warehousing are allowed to be warehoused without payment of duty.

(2) Any duty, drawback, allowance or rebate the rate of which is expressed by reference to a specified quantity or weight of any goods shall be chargeable or allowable on any fraction of that quantity or weight of the goods, and the amount payable or allowable on any such fraction shall be calculated proportionately, but the Comptroller may determine the fractions to be taken into account in the case of any weight or quantity.

(3) For the purpose of calculating any amount due from or to any person under any customs enactment by way of duty, drawback, allowance, repayment or rebate, any fraction of a cent in that amount shall be disregarded.

Special provisions

69. (1) If any goods, being goods chargeable with any duty on their importation into or exportation out of Anguilla—

- (a) are imported or exported in any package intended for sale, or of a kind normally sold with those goods, and the package is marked or labelled or commonly sold as, or reputed as containing a specified quantity of those goods, then the package is deemed to contain not less than that specified quantity of those goods;
- (b) are imported or exported in any package intended for sale, or of a kind normally sold with those goods, but the package is not marked or labelled, or commonly sold as, or reputed as containing a specified quantity of those goods, then, unless the importer or exporter is able to satisfy the Comptroller as to the net weight of the goods, the duty shall be calculated on the gross weight of the package and the goods;
- (c) are imported or exported in any package or covering that, in the opinion of the Comptroller—
 - (i) is not the usual or proper package or covering for such goods, or
 - (ii) is designed for separate use, other than as a package or covering for the same or similar goods, subsequent to the importation or exportation,that package or covering shall be deemed to be a separate article; or
- (d) are brought or come into Anguilla as derelict jetsam, flotsam or as a wreck or part of a wreck, and are sold in Anguilla, they are liable to the same duty as goods of that class or description would be subject to at the time of their discovery or sale.

(2) The Governor in Council may by regulation specify standard capacities for containers of liquid goods, and where goods liable to duty by liquid volume are, or are reputed to be, sold in a container of the size specified in the order, the quantity of goods in that container is deemed to be the specified quantity.

Relief from duty on re-imported goods and other relief

70. (1) Where any goods, being goods previously entered for home use in Anguilla, are imported into Anguilla after exportation from Anguilla and it is shown to the satisfaction of the Comptroller that—

- (a) no duty was due on those goods on any previous importation into Anguilla or that, if any duty was so due, it has been paid;
- (b) no drawback has been paid or duty refunded on their exportation or that any drawback so paid or duty so refunded has been repaid; and
- (c) the goods have not undergone any process outside Anguilla since their exportation;

those goods may be permitted to be imported, subject to such conditions and restrictions as the Comptroller may see fit to impose, without payment of duty.

(2) No repayment of sums overpaid in error shall be made unless the claim thereto is made and evidence in support thereof is submitted to the Comptroller within 1 year of the overpayment, and the claim is established to the satisfaction of the Comptroller.

Offences and forfeiture for breach of conditions

71. (1) Where under any customs enactment, any goods that are relieved or exempted from any duty due on them subject to—

- (a) any condition or restriction; or
- (b) the condition that they will not be sold, lent or otherwise disposed of or any like condition within a period of 10 years or such lesser period as is provided for under a customs enactment;

and that condition or restriction is contravened or not complied with, the duty relieved or exempted shall become payable by the person who, but for that relief or exemption, would have had to pay the amount of such duty, he and any person knowingly concerned in such contravention or non-compliance is guilty of an offence and is liable to a fine of \$20,000 or 3 times the duty relieved, whichever is the greater, or to imprisonment for a term of 2 years or to both and may be arrested and the goods in respect of which the relief or exemption was granted are liable to forfeiture.

(Act 16/2008 s. 1)

(2) Any goods relieved or exempted from duty shall, upon demand made by an officer, be produced or otherwise accounted for to him, and if any person fails to produce or account for such goods, he and any person knowingly concerned in such failure are guilty of an offence and are liable to a fine of \$20,000 or 3 times the value of the goods, whichever is the greater, or to imprisonment for a term of 2 years or to both and may be arrested, and, if any goods not produced or accounted for are subsequently found, they are liable to forfeiture.

Abatement of duty

72. (1) Subject to subsection (2), where the Comptroller is satisfied in respect of any imported goods that before or upon their importation they have deteriorated or have been damaged, or that they or some of them have been lost or destroyed, and, in the case of lost goods, that they have not entered

or will not enter into home use in Anguilla, the Comptroller shall allow such abatement of the duty chargeable on those goods as in his opinion the amount of the deterioration, damage, loss or destruction bears to the original value of the goods.

(2) Where duty has already been paid on goods in respect of which an abatement would be allowable under subsection (1), no repayment of the amount of the abatement shall be made unless the claim is made within 6 months of the date of the payment of the duty.

Goods temporarily imported for re-export

73. (1) The Governor in Council may by regulation prescribe, where he is satisfied that goods are imported only temporarily with a view to subsequent re-exportation, that the goods be delivered on importation subject to such conditions and to the payment of such proportion of duty thereon as he may specify in the regulation and may impose different conditions for different classes of goods.

(2) Regulations under subsection (1) may provide for the imposition of a fine for an amount of \$10,000 or 3 times the value of the goods, whichever is the greater, for any contravention of, or failure to comply with, any such regulation, and for the forfeiture of any goods.

Goods imported other than as cargo, stores or baggage

74. Any goods brought or coming into Anguilla by sea otherwise than as cargo, stores or baggage carried in a vessel are liable to the like duty, if any, as would be applicable to those goods if they had been imported as merchandise, and if any question arises as to the origin of the goods they are deemed to be the produce of such country as the Comptroller may on investigation determine.

Relief from duty on re-imported goods locally produced

75. Without prejudice to any other enactment relating to customs, notwithstanding section 70, if it is shown to the satisfaction of the Comptroller that any goods manufactured or produced in Anguilla are re-imported into Anguilla after exportation therefrom and have not undergone any process outside Anguilla since their exportation, the goods may on their re-importation be delivered for home use without payment of duty.

Power to make regulations

76. (1) The Governor in Council may by regulation—

- (a) impose rates of duty for the purposes of section 64;
- (b) exempt goods or classes of goods subject to such conditions, if any, as may be specified; and
- (c) provide for the form of written declaration to be furnished by an importer of goods.

(2) A regulation made under subsection (1)(a) and (b) is not valid—

- (a) unless it implements an item in a budget approved by an Act of the Legislature; or
- (b) until it is approved by resolution of the House of Assembly.

House of Assembly may reduce duty or exempt goods of specified person

77. (1) The House of Assembly may by resolution reduce the duty on any goods, or may exempt from duty any goods, imported into Anguilla by a specified person and may make the reduction or exemption subject to such conditions, including conditions on the importation, use or disposal of the goods, as may be specified in the resolution.

(2) Unless it is therein otherwise provided, any resolution passed under this section shall take effect and come into operation on the day such resolution is passed.

(3) Notwithstanding subsection (1), no resolution under that subsection in relation to goods imported into Anguilla by a person shall be introduced into the House unless a certificate of good standing issued pursuant to the regulations under the Inland Revenue Department Act in relation to that person that has not expired or been cancelled has been produced to the Minister of Finance.

(Act 6/2010, s. 41)

(4) A recital in a resolution to the effect that, before the resolution was introduced into the House, a certificate of good standing that had not expired or been cancelled was produced to the Minister of Finance in relation to the person who imported the specified goods is conclusive evidence for all purposes of the facts set out in the recital.

(Act 6/2010, s. 41)

(5) A resolution under section (1) is a regulation.

Recovery of amounts due

78. Any amount due and payable to the Comptroller under any enactment may be recovered by him in any court of competent jurisdiction.

Valuation of goods for purpose of *ad valorem* duties

79. (1) For the purpose of any enactment for the time being in force whereunder a duty of customs is chargeable on imported goods by reference to their value, the value of any such goods shall be taken to be the normal price, that is to say, the price that they would fetch at the time when they are entered for home use (or, if they are not so entered, the time of importation) on a sale in the open market between a buyer in Anguilla and a seller in the country from which the goods were despatched to him, such buyer and seller being independent of each other and duty shall be paid on that value, but, in the case of goods imported under a contract of sale and entered for home use, duty is deemed to have been paid on that value if, before the goods are delivered for home use, duty is tendered and accepted on a declared value based on the contract price.

(2) For the purpose of the exception in subsection (1)—

- (a) the declared value of any goods is their value as declared by or on behalf of the importer in making entry of the goods for home use; and
- (b) that value shall be deemed to be based on the contract price if, but only if, it represents that price properly adjusted to take account of circumstances differentiating the contract from such a contract as is contemplated by subsection (3).

- (3) The normal price of any goods shall be determined on the assumptions that—
- (a) the normal price of any such goods shall be taken to be the landed cost of the goods, which shall be the aggregate of—
 - (i) the contract price of the goods or the normal price of the goods as defined in subsection (1), whichever is the greater; and
 - (ii) the freight, insurance and all other costs, charges and expenses incidental to the sale of the goods and to the removal or carriage from the place of despatch to Anguilla; and
 - (b) the buyer will pay the duty or tax in Anguilla.

(4) For the purpose of determining the price of goods under subsection (3) which are uninsured, there shall be substituted for the cost of insurance a notional insurance cost equal to 1% of the f.o.b. cost of such goods and, where the cost of freight is not known or is unsatisfactory in the opinion of the Comptroller, the Comptroller shall determine the cost of freight on the basis of known reliable costs on similar or identical goods carried on an equivalent or identical voyage.

(5) A sale in the open market between buyer and seller independent of each other presupposes that—

- (a) the price is the sole consideration;
 - (b) the price made is not influenced by any commercial, financial or other relationship, whether by contract or otherwise, between the seller or any person associated in business with him and the buyer and any person associated with him (other than the relationship created by the sale of the goods in question); and
 - (c) no part of the proceeds of the subsequent resale, use or disposal of the goods will accrue either directly or indirectly to the seller or any person associated in business with him.
- (6) Where the goods to be valued—
- (a) are manufactured in accordance with any patented invention or are goods to which any registered design has been applied; or
 - (b) are imported under a foreign trademark or are imported for sale (whether or not after further manufacture) under a foreign trademark;

the normal price shall be determined on the assumption that the price covers the right to use the patent, design or trademark in respect of the goods.

(7) For the purpose of subsection (6), the expression “trademark” includes a trade name and a get-up, and a foreign trademark is a trademark indicating that the goods in relation to which it is used are those of a person—

- (a) by whom the goods to be valued have been grown, produced, manufactured, selected, offered for sale or otherwise dealt with outside Anguilla;

- (b) associated in business with any such person as is referred to in paragraph (a); or
- (c) to whom any such person as is mentioned in paragraph (a) or (b) has assigned the goodwill of the business in connection with which the trademark is used.

(8) Two persons shall be deemed to be associated in business with one another if, whether directly or indirectly, either of them has any interest in the business or property of the other, or both have a common interest in any business or property, or some third person has an interest in the business or property of both of them.

(9) The Comptroller or an officer may require any importer or other person concerned with the importation of goods to furnish in such form as he may direct—

- (a) such information as is in his opinion necessary for a proper valuation of the goods; and
- (b) such declarations and evidence in support of such declarations relating to the goods as he may think fit;

and to produce any books of account or other documents of whatever nature relating to the purchase, importation or sale of the goods by that person.

(10) Where the information, declarations, evidence or documents furnished by the importer or other person concerned in the importation of the goods is not satisfactory in the opinion of the Comptroller, he shall make a determination of the value of the goods based on subsections (1) to (6).

(11) If any person contravenes or fails to comply with any requirement or direction of the Comptroller under this section, he is guilty of an offence and is liable on conviction to a penalty of \$5,000.

Personal and household effects; limit of exemption

80. Notwithstanding anything in this Act, if any person sells, exchanges, gives away or applies to any other use any household goods or personal effects imported as such under items 4 and 11 of the exemption in the ICT and thereby entered free of duty, there shall be levied upon such goods or effects, and such person shall pay duty at the rates applicable thereto as specified in the ICT on the values or quantities thereof—

- (a) at the date of importation if the goods or effects are sold, exchanged, given away or disposed of within 6 months from the date of importation; or
- (b) at the date of sale, exchange, gift or disposal of the goods or effects if that date is more than 6 months and less than 2 years after the date of importation, but no duty shall be charged on such goods imported not less than 2 years before the date of sale.

Motor vehicles; limit of exemption

81. (1) Notwithstanding anything in this Act, if any motor vehicle imported free of duty under any exemption by any person is sold, exchanged, given away or applied to any use not sanctioned by the exemption, such person shall—

- (a) if the motor is sold, exchanged, given away or applied to unsanctioned use within 6 months of the date of importation, pay duty on the value of and at the rate of duty specified in the ICT either at the date of importation or the date of sale, whichever is the greater; or
- (b) if the motor vehicle is sold, exchanged, given away or applied to unsanctioned use 6 months or more after the date of importation pay duty on the value of and at the rate of duty specified in the ICT on the date of sale.

(Act 15/2010, s. 18(a))

(2) The duty referred to in subsection (1) shall be chargeable at the time the motor vehicle is sold, exchanged, given away or applied to unsanctioned use.
