

Tourism Statistics Summary – April 2014

OVERVIEW

International visitor arrivals figures to Anguilla during this transition month of Anguilla's winter season to the summer season showed that 17,923 visitors graced our shores in April 2014, representing a 30.0% increase over the same period in 2013. This was the highest monthly increase for 2014 so far, over their corresponding 2013 figures, with second highest recorded number of visitors of 18,447 recorded in March 2014

The 30.0% increase was due to the increases in arrivals of both types of visitors (tourist and excursionist).

Of these visitors, business travellers accounted for

1.3% of arrivals and the other 98.7% from vacationers.
