

## Tourism Statistics Summary – May 2014

### OVERVIEW

Visitor arrivals during the month of May to Anguilla continued to show positive increases for the year 2014; recording a 16.0% over its 2013 May figure, with 13,609 visitors gracing our shores. This was the third largest recorded number of visitors during May, dating back to figures from 1993 after the 13,980 and 13,835 arrivals in May 2007 and 2006 respectively. Persons attending Anguilla's LitFest and/or Anguilla Day Celebrations may have contributed to this arrival figure.

Most visitor arrivals (97.8%) to Anguilla during May came with the intention of vacationing, while 2.2% came with the intention of doing business.
